

The Franciscan Renewal Center is led by a Board of Directors comprising community lay volunteers, Casa leadership and friars. Board members are volunteers who — along with a passion for the Franciscan Renewal Center and for Franciscan spirituality — have a gift for looking at the “big picture” and deep experience in the areas of strategic guidance, financial management, human resources, health care, and more.

**The primary work of the Board is to:**

- Provide support and guidance that empowers the Franciscan Renewal Center to stay true to its mission, its values, and the broader mission of the Province.
- Ensure the Franciscan Renewal Center’s financial stability by providing financial oversight, inputting into the strategy, and assisting with the execution of fundraising and endowment growth.
- Engendering interest from the community to actively participate in, and add greater value to, the Franciscan Renewal Center by becoming Board and Board committee members.
